

Advocating for Social Justice Work in Museums
a planning tool for making your case

Describe your goal:

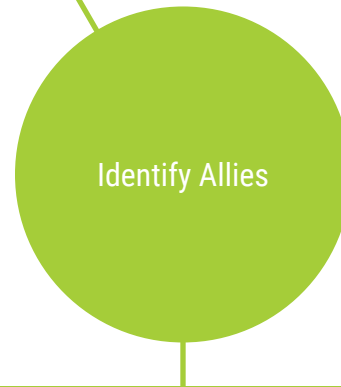

How does this work align with your museum's mission/vision/values?

How does this work align with your museum's 5-year strategic plan?

What comparable endeavors has your museum undertaken in the past?

What comparable endeavors have been undertaken by other museums?

Who are the internal accomplices at your museum who could help you?

Who are the external partners in your community who could help you?

What studies, research, or evaluations could you cite?

What are experts and thought leaders saying about this work?
